

Table of Contents:

Industrial Communications

2-3 Overview

4 Industrial Ethernet

4 Fieldbus Communication

4 Embedded Processing

5 Industrial Communication Physical Layer (PHY)

5 Ethernet PHY

5 Transceivers

5 Industrial Interface Transceivers

6 Temperature Sensors

6 Isolated Industrial Interface

6 Digital Isolators

6 Window Comparator

6 DC-DC Regulators

7 LDO Linear Regulators

7 Supply Voltage Supervisor

7 Power Management Units

7 Power Management Units
